UU Fellowship of San Luis Obispo	San Luis Obispo	CA	<p>(1) EarthNight: Do the Math - 350.org Move Screening. This is a community-wide event to celebrate Earth Day, provide knowledge on climate change, and inspire us to action. Gather between 6:30 and 7:00 pm for snacks and conversation, with the 45-minute film starting at 7:00 pm. After the movie we can have conversation, and/or join the live 350.org web discussion at 8:00 pm.</p> <p>(2) Sustainable U., Wednesday, April 24th: "John Muir's Yosemite". Join us this evening, either at 5:30 for a tasty potluck dinner, or at 6:15 for a special program to celebrate Earth Day 2013. Joe Morris, outings chair of our local chapter of the Sierra Club, will conduct you on a trip back in time to Yosemite as John Muir knew it 130 years ago. With vintage photo slides of the period, he will take you on a visual tour of its early pioneers and such long-lost sights as Hetch Hetchy Valley, the old stage roads, and Hutchings House, where Muir worked as a guide. You will see the scenes and hear the stories of Muir's transformation into a wilderness visionary. This is a family-friendly program. Children and teens welcome!</p>	<p>April 21</p> <p>April 21</p>	At the church, 2201 Lawton Ave

Allen Avenue UU Church	Portland	ME	EarthRite, a celebration of the Earth, 4-7pm.	April 20	Woodfords Church, 202 Woodford St
First UU Congregation of Ann Arbor	Ann Arbor	MI	Multigenerational Earth Day Service and activities. The day started at 8:45 with a brush up rehearsal, followed by 9:30 and 11:30 worship services and late service ended about 12:30. All children Kindergarten and up were invited to perform in the play within the service, and others joined in their service in place of regular Sunday classes. The Sunday services featured recognition of this year's Eco Heroes, music about the Earth by both the children's and adult choirs, and a guided meditation about sustainability that I wrote. I adapted a story "The Gift" by Isia Osuchowska into a play performed by our children that centered on caring for our planet, sustainability, and mindful use of gifts.	April 21	At the church, 4001 Ann Arbor-Saline Road
Mesabi UU Church	Virginia	MN	(1) Mesabi UU is again participating in Iron Range Earth Fest in Mountain Iron, MN (April 6, 9 AM-3 PM) as a part of Congregations Caring for the Earth (CCE). CCE was founded about five years ago as an interfaith ecumenical coalition of Iron Range churches. Our emphasis this year is "Fire and Rain", kicked off in October with an interfaith service. We are nearing the completion of a "40-day Challenge" from individuals, encouraging lifestyle changes in water and energy uses. CCE will have a booth at Earth Fest where we will report the results of this challenge, and display earth-care information. We will also conduct a workshop. Iron Range Earth Fest attracts hundreds of people of all ages, providing information and workshops on topics ranging from recycling to community gardening. (1) Mesabi UU Church members and friends and interested others will view the "Do the Math" DVD from www.350.org and discuss how we might respond.	April 6 April 21	Mt.
