

UU Ministry for Earth demonstrates spirit- and values-based action grounded in Unitarian Universalist Principles honoring and valuing all life and the Earth that sustains us. We develop resources to enhance an ethical and spiritual framework for ecological justice issues including climate change, land ethics, mass extinctions, and other urgent Earth concerns. We encourage individual behavior that can positively affect Earth; we facilitate collective advocacy and action to protect the “web of life.”

UU Ministry for Earth is made possible by grants and the financial gifts of supporters; by dedicated volunteers at the national, regional, and congregational levels; and by the sale of resource materials.

*“We envision a world in which reverence, gratitude, and care for the living Earth are central to the lives of all people. Our purpose is to inspire, facilitate, and support personal, congregational, and denominational practices that honor and sustain the Earth and all beings.”*

# Build Your Spirit and Skills

## *Renew your spirit.*

Worship and workshop leadership tools create hope and strengthened resiliency. Inspire children with sight, touch, and sound in our religious education programs. Learn from UUs with a vision of Earth-aware communities working toward justice. Identify and celebrate exemplary UU Guardians of the Future.

*Express your reverence for life.* Expand your impact in your community with our innovative curriculum “Our Place in the Web of Life.” This

course helps you identify and plan actions in a values-based team setting. Explore the grounding for your ecological justice actions with our thought-provoking “Green Papers.”

## *Be inspired.*

Our Earth Day materials include topical research, links to information and action resources, and free print items.

# Network and Partner

*Grow partnerships.* Lead your congregation and community more effectively by reaching out to potential partners. Join wide-ranging conversations on ecological justice, climate action, and food choices with UU Ministry for Earth Facebook pages, discussion groups, and e-mail lists. Sign up for our eNEWS to get the latest updates on our projects. Read our newsletter for in-depth articles.

*Join the UU Young Adults for Climate Justice Network.* Share in online conversations and campaigns; participate in regional conferences and workshops. UU young adults initiate all planning and action projects.

*Benefit from our partners:* UUA Green Sanctuary program and Multicultural Growth & Witness, UU Service Committee, Beacon Press, Gaia Workshops, Northwest Earth Institute, and Carbonfund. For more ideas, see [uuministryforearth.org](http://uuministryforearth.org).
